Teaching in Parables

Journey : Context

Learning objective: students will be able to identify the 5 W's .

Who What When Where Why

Devotion

COL 17.1-17.2

After reading implement the 5 w's

Who is this passage about :Christ

What this passage is about : teaching in parables

When did Christ teach in parables

Where did Christ teach in Parables

Why did Christ teach in parables

Practical Scenario

I then had the children place themselves in a practical everyday event :

A Picnic Senario

Ask the children who was at the picnic

                    what happened at the picnic

                    when the picnic was

                    where the picnic was

                    why the picnic occured

Reading : **Johns broken Leg** (Upon sourcing a worksheet I found I created a quick childrens story implementing a **5W's** worksheet)

The children filled in the answers on the board and completed it very well.

Activity : create a **5 W's** felt booklet using the **5W's** from the story read

Spiritual

(**main idea**) adding the 5 w's

Proverbs 24:27

This verse was used to help with the craft for the children to build a house

The main idea : building a house

Supporting Details : what a house needs to support it

Firm foundation
Other additions to a house:
